## STANLEY CALLS ON WILSON AT WASHINGTON

President Working Hard—Would Like  
To Make Another Speech Before  
Returning To Paris.

(By Associated Press)

Washington, Feb. 26—In addition to prompt action at this session on the big appropriation bills, President Wilson intends to urge Congress to expedite the passage of the oil leasing and water power bills, a provision continuing the United States employment service, and Secretary Lane's bill appropriating a hundred million dollars for the reclamation of land to be opened to soldiers and sailors. For this purpose he will confer with Senators at the capital probably today if his engagements permit.

The President plans to do everything possible to aid the passage of imperative legislation in the few remaining days of this session, now that he has determined not to call an extraordinary session until after he returns from Europe, which probably will be not earlier than June 1st. The President was said to be anxious to make another speech before returning to Europe but it is not certain if time will permit.

The President continued today to dispatch a great amount of business.

Meanwhile he saw a steady stream of callers, including Governor Stanley, Senator-elect from Kentucky.

## To Discuss Hog Prices

(By Associated Press)

Washington, Feb. 26—Continuation of hog prices will be discussed at a food administration meeting late today. Their continuation will depend upon whether the food administration decides to lift the exportation ban, which, food officials predict, would mean abandonment of the price agreement policy and put hogs on a free market basis.

## TODAY'S LIVE STOCK MARKETS

Louisville, Feb. 26—Cattle 250; steady; hogs 2,500; steady; sheep 50; active; all unchanged.  
Cincinnati—Cattle quiet; steady; hogs, packers 10 cents lower; others steady; Chicago, slow.  
May corn \$1.26½.

## Commissioner's Sale

Mary C. Burgin's Exor. Plaintiff

vs.

Mary C. Burgin's Heirs, etc. Defts.

Pursuant to a judgment and order of sale entered in the above styled action, by the Madison Circuit Court, at its February term, 1919, the undersigned Commissioner will expose to public sale to the highest and best bidder, at the hour of 11 o'clock a. m. on premises, on

TUESDAY, MARCH 11, 1919

the following described property:

A certain tract of land in Madison county, Ky., on the west fork of Otter Creek, and on the Hitch Mill Road, and described by old survey as follows:

Beginning at a stone corner; thence S 66° W 39 poles, N 46° W 28 poles, to a beech; thence S 79° W 11 poles to a stake in the road; thence along the middle of the road and Samuel Bennett's line, N ¼ W 4 poles N 37° W 16 poles N 15½° W 27 poles, N 5½° W 23 poles N 15½° W 27 poles to beech at old Chenault corner in Bennett's line; thence with the Chenault line N 62° E 26 poles, N 68° E 55½ poles to a stone, the Chenault corner; thence S 13½° E 17 poles to the beginning, containing 70 acres.

Terms—Said land will be sold on a credit of six and twelve months, the purchaser being required to execute sale bonds with approved security payable to the Commissioner and bearing 6 per cent interest from day of sale until paid, with a lien retained on the land to secure the payment of same.

## 15c For Butcher Heifers

M. M. Hamilton and Major Wells have just bought half a dozen of the choicest heifers for their growing butcher trade from the firm of Collins and Taylor, local stock dealers. The heifers averaged around 550 pounds, and the buyers paid the handsome price of 15 cents a pound for them. This seems high, but the quality of the young heifers was the best and that's what the buyers say they have to have for their trade. Incidentally Collins and Taylor had a few steers on hand that would be extra fine for big thick steaks, but they won't last long, of course.

## Big Court Day In Prospect

A big run of cattle seems assured for the Richmond stock yards Monday. Already many car lots of cattle have gotten in, and with prices up, trading promises to be mighty good. Gilbert Smith has gotten in from Clay county with 150 head; St. Jones has brought down 100 from Laurel. A number of local stock men are going to have some sizeable bunches on the markets, and trading is going to be good.

## Normal School Notes.

(W. B. Trosper, Reporter)

The boys who have been wearing the khaki and are now students in the Normal are planning some real treats for the Normal people by giving to the students some idea of real camp life in various forms.

The basketball game between Eastern and Tracy was easily pointed out as the leading feature of the day. The home team showed the real spirit of sportsmanship and was in the game until the last whistle blew. Our boys are just waking up to real basketball and they promise in the near future to carry off more victories than they have in the past. The score of the past evening was 26 to 14, in favor of our visitors. Our next game will be Friday night with Danville High School. Don't fail to see this game. Mr. David Jenkins and Mr. Ferguson have gone home on account of illness.

The flu cases are doing well and with the aid of Mrs. Bruner, the boys when ill feel as tho they were at home and extend to her their many thanks and appreciations for her kindness.

The members of the athletic committee are already busy of the baseball schedule for the coming season. The prospects for a real good team in Eastern is looking rather bright and we hope to have some real good games.

Prof. Boothe resumed work today after an absence of several days.

Mr. Ramsey and Prof. Cox returned from Louisville last night.

News has been received at the Normal that a son has arrived at the home of Prof. and Mrs. J. B. Culbertson in Greeley, Colo.

Prof. J. S. Pullen formerly head of the Agricultural Department, and Miss Mabel Garrett, graduate of Eastern Class 1918, were married January 28th. Prof. Pullen is now county demonstration agent of Hart county.

Miss Marjory Pierce is confined to her room with a slight attack of illness.

## Suburban Homes On

### Lexington Pike

This is the James J. Neale farm and I am going to sell it.

Lookout! She goes!

Two 30 acre tracts with beautiful building sites; one 60 acre tract with tenant house, barn and silo; also one of the most attractive building sites in the county.

One 80 acre tract, with fine dwelling house, light and water in the house, every convenience. Stock and tobacco barns, good fencing, and everything to make an excellent home.

It takes money to buy them, but they are worth the price and will sell quickly, so if you want to build a bungalow close to town, or if you want a fine home already built, don't delay.

These tracts are in my hands for sale and it won't take ten minutes to trade, if you are in the neighborhood.

## Dr. Carpenter To Bring Message From Big Meeting

The committee in charge of the lecture course at the Methodist church, announce change in date for Dr. Carpenter's lecture on "America and the Task of the World's Rebuilding," which was to have been given on Friday night. The date has been changed to Monday night, March 3rd. The change has been made in order to release Dr. Carpenter to attend a meeting of the National Congress of the League to Enforce Peace to be held at Atlanta, Friday and Saturday. Mr. Carpenter has been selected as one of the Kentucky speakers of the League to Enforce Peace and his Monday night lecture will have added interest as he comes direct from the Congress meeting in which ex-President Taft, Henry Van Dyke, James W. Gerard and others will be headliners.

## Shelby Jett Very Low

Mr. Shelby Jett, whose condition was thought to be improved Sunday, suffered a serious relapse Tuesday afternoon and since that time has been totally unconscious. His entire family have been called to his bedside and very little hope is given out by his physicians. Mr. Jett is one of the county's very best citizens and his friends hope to hear more encouraging news.

## British Press Hopes U. S. People Are With Wilson

(By Associated Press)

London, Feb. 26—Comment on President Wilson's Boston speech takes first place on the editorial pages of the London newspapers today, which are uniting in hoping that Wilson's appeal for support of the League of Nations will be favored in the United States. The Daily Mail is confident Americans will support it and says the United States is in the war and must be in the peace. The Telegraph says this country is at the cross roads of its destination and that Europe looks to the people of the United States with a new confidence. The Chronicle declares if Wilson carries his people with him he will have rendered a service to mankind.

## Congress Working At Top Speed

(By Associated Press)

Washington, Feb. 26—Congressional legislative machinery move with celerity today. The Senate committee ordered favorably reported the seven hundred and twenty million dollar naval appropriation bill and the bill appropriating a hundred million dollars to reclaim public lands for soldiers and sailors, while the deadlock between the House and the Senate was broken by an agreement to legalize the bulk of informal war contracts in the metal division.

## Labor Question Settled At Paris

(By Associated Press)

Paris, Feb. 26—The peace conference commission on international labor, expects to complete a constitution for an international labor bureau Friday. Knotty problems were encountered but the British proposals as a whole were accepted. Some matters remain to be settled including the question of immigration.

Berlin, Feb. 26—The Spartacists and radical socialists have launched a movement to overthrow the existing government in Saxony. A general strike has been proclaimed. The strikers are reported to have taken possession of Plauen and other industrial centers.

## FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair. Make It Thick, Wavy and Beautiful—Try This!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching scalp, which is not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre, and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks use when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp. 1t

## Dr. Combs To Erect New Business House In County

College Hill, Feb. 26.

Dr. R. B. Combs bought a nice lot from Misses Lucy and Nannie Norris. This lot fronts Ginter Bros.' store. Dr. Combs expects to erect a handsome modern store building on this lot. He will build it two stories, using the lower floor for a drug store. The upstairs he will fit up for a nice office.

Mr. George Ginter attended the dance in Irvine Friday night.

Miss Angie Hall returned from a visit to her mother in Frankfort Saturday.

Mr. Alvin Dennis continues very ill at his home. He first had the flu, then took pneumonia and is quite sick.

Charles Weber is on the sick list.

Mrs. Merl Willoughby visited her sister, Mrs. William Hill, Friday and Saturday.

\*Miss Evelyn Norris has returned from Richmond where she has been visiting her sisters, Misses Stella and Katie Norris.

Alex Hockersmith sold to Dillard Hill a hog, the price paid being \$20.

## Transylvania Defeats Eastern

The Transylvania College basketball team, a strong contender for the state championship, defeated the Normal School team on the Normal floors last night by a score of 26 to 14. The home team put up a game fight. The team work was crippled due to the loss of Gentry as guard, who is ill; however, Holdcraft played a great defensive game. The all round playing of Trosper, captain of the Normal five, and the close guarding of Pitman, were the outstanding features of the Normal school play. Much credit is due to Coach James Park for the team he has developed this year at Transylvania. Coach Park is a former Eastern star.

## Died At Home In Lexington

A telephone message was received by relatives here early Wednesday morning, announcing the death of Mrs. Mona Wallace, who passed peacefully away at ten o'clock Tuesday evening, her death resulting from a stroke of apoplexy. She died at the home of her daughter, Mrs. Irvine Scrivner, in Aylesford Place. Mrs. Wallace spent most of her life in this county, moving from the farm at Waco, to Lexington a few years ago. She was greatly beloved by everyone and her sudden going will be regretted by a wide circle of relatives here. She had passed her 81st birthday last December. She is survived by one daughter, Mrs. Scrivner, and six grandchildren who have the sympathy of a host of friends here in their sorrow. She was all her life a member of the Baptist church. Funeral services will be conducted at the family residence in Lexington, Friday afternoon at two o'clock, burial in Lexington cemetery.

## PRESBYTERIANS TO BUILD NEW CHURCH

Committee Actively At Work Investigating Sites and New Home Seems Assured This Year.

At the conclusion of worship Sunday morning at the First Presbyterian church, there was a congregational meeting held at which the question of a new church building was brought before the membership. At a previous meeting a committee had been appointed to investigate the cost of material for the structure, and it was the sense of a majority of the members to build on the old site. However, during the past few weeks two locations near this site were sold to parties who will erect garages and the meeting Sunday morning was to decide as to the advisability of building on the old lot. The question of giving the committee full authority to look elsewhere and find a more suitable place and to purchase it if acceptable, was put before the members and a unanimous vote was cast in favor of the question.

There seem to be only two desirable plots for this structure, one being the lot on Lancaster avenue, owned by Mary Jane Walker, and the other the large lot on West Main street, formerly owned by Mr. John Crooke. It is the intention of the membership to erect a magnificent building, one which will be a credit to Richmond. It is understood that work will be started just as soon as negotiations for the lot have been completed.

## DROPPED CIGARETTES FROM AIRPLANES TO FIGHTERS

(By Associated Press)

Paris, Feb. 26—One of the first workers of a war service organization to be officially recognized as a V. Merle of San Francisco, a play member of a fighting unit is Martin Wright and a Knights of Columbus secretary who was attached to the 7th Aero squadron for four months during the fighting at Chateau Thierry, Saint Mihiel and the Meuse-Argonne district.

Mr. Merle has received an official communication from the officers and men of the 27th. Aero Squadron as notification that he has been given the right to wear the squadron insignia. He originated the scheme of dropping Knights of Columbus cigarettes from airplanes over the first line trenches which was adopted with much success.

## Why do people sleep

Remember the morning you woke up with a feeling that you really had been sound asleep all night? Never felt so well before! Nor looked so fresh and rested—nor got things done so easily.

IT WAS the deep sleep that did it. Nothing keeps us looking so young or feeling so vigorous as enough deep, restful sleep—every nerve and muscle relaxed. Do you ever really relax? The chances are you don't. No matter what you do to bring sleep, you will never sleep sound unless your bed invites perfect relaxation. Thousands who for years have been "light sleepers"—waking at every sound—sleep the night through on a Simmons Bed.

### Why the Simmons Bed?

The Simmons Metal Bed is strong and rigid where the average bed is weakest—in the corner locks. These are some of the Simmons basic patents—the pressed steel corner locks—they have much longer locking surfaces than you find in the average bed. In fact, it is the pressed steel corner locks that have made possible the Simmons new Three-piece Bed—the spring made in a single unit with the side rails.

### Don't Blame Your Mattress for the Faults of Your Spring!

Everybody knows the spring that slackens sags and lets the sleeper roll into a hollow—or creaks with the slightest movement—or that does not fit four-square and firm on the bed, and knocks and rattles.

The Simmons Slumber King Spring is taut, but elastic—never slack. It gives to the contours of the body—supports the spine in any

sleeping position—is noiseless, invites relaxation, and promotes natural, restful sleep. Finished smooth—can't tear ticking of mattress. The entire spring has a rust-proof oxidized-silver finish.

### Simmons Beds are Made in All Sizes and Styles

Full double—Three-quarter—Full single—Standard single—and Twin Beds.

You will find a range of styles to select from in brass, and in enamel with and without brass trimmings.

Simmons styles are good. Whatever your bedroom decoration scheme, you will find a Simmons Bed that "belongs."

Beautifully finished. Lacquer, perfect. Enamel free from pin-holes, blisters and lumps—clear and smooth.

Your choice of white, cream and delicate tones of colors in vogue for interiors today.

### And now with regard to the unusual variety of TWIN BEDS

Nice people everywhere are discovering that a separate bed for each person is a great aid toward perfect rest and sound health.

One sleeper does not disturb the other. Colds, sore throat, and other infections are not communicated. And one sleeper does not draw on the vitality of the other.

Simmons Beds will cost you little if any more than the general run of metal beds. They are worth more—much more.

Come in and let us show them to you.

### Would This Hurt Major Wilson?

Prominent Lexington democrats are making quite a lot of speed, it seems, with their boom for Major Samuel M. Wilson, for the democratic nomination for governor. Major Wilson is a high class gentleman in every way, and would make an admirable governor, if he could win it with the un-

avoidable handicaps that he has. Discussing his prospective candidacy yesterday, a prominent democrat here said to the Daily Register:

"Sam Wilson is a fine fellow in every way, but is hardly the man for the democrats to nominate or even seek to nominate for governor. If those who are boosting him the strongest would look in the files of the daily papers a few years back, and read what Wilson said of Goebel and other prominent democrats, and what he said of Caleb Powers, at the time, Major Wilson was one of the chief attorneys defending Powers, they might doubt,—as do a great many others,

whose memories run back a few years,—whether, after all, Wilson would make a strong candidate to go before the democrats of Kentucky, at this or any other time. There are still many thousands of democrats in Kentucky who revere the memory of the lamented Goebel, and who will hardly look with complacency upon the candidacy of any man who 'went to the front' for Caleb Powers as Major Wilson did, while engaged in defense of Powers following the assassination of Goebel."

It might be worth while for our Lexington friends to ponder this point over a little before committing themselves too strongly to Major Wilson.

## THE BEMIS TOBACCO SETTER

HAS A NATIONAL REPUTATION FOR ITS HIGH QUALITY AND WORTH

In a Tobacco Setter—QUALITY REGULATES the PRICE, the same as it does Farm Lands or the Tobacco the Land produces.

If you want to raise good Tobacco—both quantity and quality, you can best do it by properly setting the plants with a Bemis Setter.

The Bemis Tobacco Setter is Universally used, which is absolute proof of its superiority.

We have only a limited number of unsold Bemis Setters, and we advise you to order now. Write, phone or call in person.

D. B. SHACKELFORD & CO.

Fayette County Agricultural Agent L. S. Robbins has on exhibition in his office at the court house two stalks of tobacco that were grown on the farm of C. C. Leer, about two miles from Paris, on the Maysville pike. The stalks are over six feet high and contain 20 leaves each of fully matured tobacco. Three years ago Mr. Leer found growing in his tobacco field two or three stalks that showed excessive growth and he reserved them for seed. The past season he cultivated one-half acre of the phenomenal weed that had shown such wonderful growth, and will try it out the coming season. Of the one half acre grown last year he sold \$716 worth and has a few pounds left. Mr. Robbins will grow a small patch of the "special" this season. Mr. Leer has not given the new species any name.

We have had some real good winter. Mr. John C. Steele, of Beattyville, spent from Saturday until Monday with his sister, Mrs. Lucy A. Smyth. Jesse Dennis and Roy Smyth made a flying trip to Berea Saturday. Will Hill celebrated his 42nd birthday February 23rd. A number of his friends were present. A splendid dinner was served.

John L. Combs has gone to Corbin. He is working for Dr. Jesse Edwards. Dr. R. B. Combs is going to build a large store house in College Hill. He will handle merchandise and drugs in connection with it.

Miss Ada Smyth returned to Berea after a week's visit with the home folks.

The flu is about over in these parts. The oil business is coming with leaps and bounds in Lee county. Money is the cheapest thing there.

The road tax to be voted on March 29th will bring many dollars into the road fund if it carries. There will be no trouble in finding roads that need it. Let the road supervisors come out during the winter season and locate them.

## "I SUFFERED SEVEN YEARS"

Was Eventually Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered for seven long years with a lame back, irregularities and pain. I had one physician after another but they did me no good. I read about Lydia E. Pinkham's Vegetable Compound and gave it a trial and in a short time I felt benefited and am now feeling fine, and without weakness or pain. Many of my friends have also taken Lydia E. Pinkham's Vegetable Compound and been helped by it."—Mrs. MARGARET NESS, 1846 E. Hazard St., Philadelphia, Pa.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, sideache, headaches or "the blues" should not rest until they have given this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for special suggestions. The result of its long experience is at your service.

## Run-Down People

### Vinol is What You Need

Weak, run-down nervous men and women need Vinol because it contains the most famous reconstructive tonics in an agreeable and easily digested form:— Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates.

We guarantee there is no tonic equal to Vinol.

#### HERE IS PROOF

**Detroit, Mich.**  
"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."  
Mrs. John F. Watson.  
For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

**Texarkana, Texas.**  
"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever. Every run-down woman should take Vinol."  
Mrs. Emma Britt.

**Reds Seem to Control Bavaria**

(By Associated Press)  
London, Feb. 26—A Basle dispatch filed Tuesday says the workmen and soldiers council of Munich sent a wireless to all countries announcing a dictatorship of Munich by the proletariat and peasant has been proclaimed in Bavaria.

Berlin dispatches last week reported the Soviet council in control at Munich. More recent advices told of ministerial appointments by the new government but owing to the disordered condition no comprehensive account of developments was obtainable.

**A CLEAR COMPLEXION**

**Ruddy Cheeks—Sparkling Eyes—Most Women Can Have**

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treats scores of women for liver and bowels ailments. During these years he gave his patients a prescription made of a well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on liver and bowels, which cause a nervous action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow eyes, pimples, coated tongue, headache, indigestion, no-good feeling, all out of your inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a week and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now then just to keep in the pink of condition 10c and 25c per box. All druggists.
